Your acceptance on the weekend is dependent upon the fact that you agree to this. *(See above for statement about use of your details).*

The weekend is neither a retreat nor a conference, but more an experience of God's abiding love. The pace is steady. The programme full, but we aim to provide time for reflection and quiet as well as fellowship.

The actual cost of the weekend is approximately £240 for each person but is given as a gift to you by someone else who has previously attended. If you wish to make a donation to help pay for someone else on subsequent weekends you will be given an opportunity to make your donation in a confidential manner near the end or after the weekend.
